WHO ARE WE?

We are Superposition New Delhi, a chapter of Superposition which is a 501(c)(3) student-led organization. We aim to strive for the gender gap in STEM.

We provide resources such as educational videos, insightful blog posts, newsletters, opportunities, and free online workshops to get more students interested in the field. Also, Superposition has reached 300,000+ people.

WHY SPONSOR?

1.

Maximize your company's visibility & make a lasting impression on our future women leaders and women in STEM.

2.

Due to the virtual environment, Hack Wizard will be a great opportunity for recruiters to find technical women.

3.

Whether it is your cutting-edge products, new programs, and initiative, or starter internships, Hack Wizard will focus the spotlight on your company.

4.

Highlight your company's dedication to diversity & inclusion.
